

**Tesco Store – Highams Park**

.....  
**Client**

Tesco

Caunton designed, supplied and erected 1,200 tonnes of structural steelwork for the Tesco Store at Highams Park. This was part of an 11.2 acre scheme regenerating the old C&A site in the Highams Park area near Chingford in Waltham Forest.

.....  
**Contractor**

McLaren Construction

This development was completed in November 2012 and included the construction of the 37,000sq.ft Tesco superstore, with a basement car park and an apartment block.

.....  
**Steelwork Design**

Caunton Engineering

Caunton’s contract for this project was with McLaren Construction and provided the steel frame for the Tesco store, which permitted a basement car park below and a podium steel support for the residential units.

.....  
**Architect**

Collado Collins

.....  
**Engineer**

Scott – White & Hookins

.....  
**Steel Tonnage**

1,200 tonnes
