

Greenbox, Darlington

.....
Client

Greenbox

Caunton Engineering played a pivotal role in the net zero carbon Greenbox development in Darlington, supplying, fabricating and erecting 1,459 tonnes of structural steelwork, on behalf of main contractor, Winvic Construction.

.....
Contractor

Winvic Construction

Spanning 24-acres, the site features three speculative industrial facilities with a combined total of 37,300m² of space. Each unit also included an office space.
